

**DIJON, NOTRE DAME**

**1350/1445/1447?**

**(F:)**

**1350:** The compass was B-a<sup>2</sup> and the Fourniture is specifically mentioned, perhaps because it could be separated from the other ranks. The organ had a total of 768 pipes.

**1445:** Specification: Hw.: Blockwerk 8' XV-XVII

**1447(?):** Jean de Mex built an organ with the following specification:

(G.O.):	Principal 8
	Blockwerk 16 VI-XVII
	Zimbel ½' I-III
(Pos/Dos):	Blockwerk 8 VI-XV
